RETENTION RATE

The support TSARSI's resources have provided in both estimating and detailing has been paramount in helping us train and set up better systems to assist in supporting and training staff not only abroad but locally.

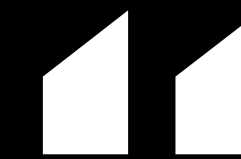

BROOKE MADELEY
TECHNICAL PRODUCT MANAGER

TSARSI's resource excels at what they do and have been a huge asset in cutting the time on our proposals! Graber Outdoors is able to operate more efficiently and professionally and have a quicker turn around.

JOHN GRABER
FOUNDER / OWNER

With TSARSI's Estimating services, this is a huge help as this is an effort to help perfect Fence & Deck Connection sales orders and properly account and project material costs to each project.

TJ FARLEY
